### **Student Conduct Policies**

The standards of conduct at Dynasty Trucking School are patterned after those that prevail in both business and industry. Students are expected to observe the School's regulations, to follow directions given by their instructor, and to conduct themselves in a manner that is a credit to the School, their fellow students, and the trucking industry.

In order to create a healthy learning environment, certain standards of conduct must be followed. The following activities at or around Dynasty Trucking School facilities and equipment will be cause for immediate dismissal.

- Unauthorized truck starting or operation;
- Gambling;
- Hazing or harassment of fellow students;
- Unauthorized cell phone use in and around equipment or classroom.

### **Student Dress Code**

Students are preparing for professional careers. While in attendance, students should look and act as though they were working in a professional environment. Appearance is vitally

important in the technical and business world. Employers frequently visit the school and in doing so, evaluate the appearance of prospective employees. No open toe or open back shoes.

### **Attendance Policy**

Requiring our students to have a good attendance record is one of the most vital elements of Dynasty Trucking School training. Due to the fact that our Intermediate Commercial Driver program, Bus/Truck Driver program and Class A Refresher program are short courses, students must be on time and in attendance every day. Students should anticipate and plan for any problem that would prevent them from attending class.

### **Tardiness/Absence**

In case of illness, death, or birth in the immediate family, the student should notify the School Director in writing in order to obtain an “excused absence”. All other absences will be considered “un-excused”. Being late to class by ten minutes or more without a good reason, will be considered as one un-excused absence.

### **Warning/Drop**

The student will receive a warning letter after two un-excused absences. Unless arrangements are made with the school director, a student who has four absences will be sent a drop letter from our program. If the student fails to respond to the drop letter in a reasonable time, they will be dropped from the program.

### **Leave of Absence**

A student seeking a leave of absence must do so by notifying the School Director in writing. Students who are granted a leave of absence will be dropped from the school if the student does not re-enroll within 30 days. A leave of absence cannot exceed thirty (30) calendar days for regular leave or thirty (30) days for a verified medical reason. Only one leave of absence will be granted to each student.

### **Make-Up Work**

Will be scheduled by the School Director only for those students who have excused absences and need the time. All incomplete work must be made up before the student can graduate from our school.

### **Re-Admission**

Dynasty Trucking School does not re-admit students who have been dropped from our course. Other circumstances will be dealt with on an individual basis.

### **Grading Policy**

By midpoint (50%) of the course, a student must have achieved a GPA of 1.5 or higher. A student must achieve a GPA of 2.0 or higher by graduation to be eligible to receive a diploma.

A student who fails to maintain satisfactory progress will be placed on Academic Probation for one (1) week. Failure to achieve the required GPA by the end of the probation period will result in termination. Re-enrollment following such termination shall be at the discretion of the school.

Student must complete all course work with the scheduled grading period. Students with "Incomplete" will be given the opportunity to make-up course work as necessary. This must be done in addition to regular work.

Completion of the course is not to exceed one and one-half time the length of the course (240 clock hours). If a student does not complete the course in the maximum time, he/she will not be eligible for graduation and will be dropped from the course. ## **CANCELLATION AND REFUND POLICY**

### **STUDENT'S RIGHT TO CANCEL:**

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at the following address: 1810 S. Reservoir Street, Pomona, CA 91766. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5. If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$250.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.

### **WITHDRAWAL FROM THE PROGRAM:**

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance. The refund will be less a registration or administration fee not to exceed \$250.00, and less any deduction for equipment not returned in good condition, within 45 days of withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminated the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligation to the school.
- The student has failed to attend class for three (3) consecutive weeks.
- The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of hours in the program), multiplied by the number of hours scheduled to attend, prior to withdrawal. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of three (3) consecutive weeks. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of money's not paid from federal student financial aid program funds.

### Examples of Refund Calculations

If you have paid more than the amount that you owe for the time you attended. Then a refund will be made within 45 days of withdrawal. If the amount you owe is more than the amount that you have already paid, then you will have to make arrangements to pay it.

#### Refund Example:

Assume you enroll in a 160-hour course and pay \$4,800.00 for tuition and fees. You withdraw after completing 80 hours (50%) of the 160-hour course. The pro-rata refund would be \$2,275.00 based on the calculation stated below.

$$\begin{array}{rclclcl}
 \$4,800.00 & - & \$250.00 \text{ fee} & \times & 50 \% & = & \$2,275.00 \\
 \text{(amount paid for instruction} & & & & \text{(80 clock hours} & & \text{(amount to be refunded)} \\
 \text{but not receive, 160 total hours)} & & & & \text{of instruction)} & & 
 \end{array}$$

<u>% of Attendance</u>	<u>Tuition</u>	<u>Less Fees</u>	<u>Total Refund Due</u>	<u>Tuition Retained by School</u>
< 10% (4 day)	\$4,800.00	\$250.00	\$4,550.00	\$ 0.00
25% (10 days)	\$4,800.00	\$250.00	\$3,662.50	\$1137.50
50% (20 days)	\$4,800.00	\$250.00	\$2275.00	\$2525.00
60% (24 days)	\$4,800.00	\$250.0	\$2070.00	\$2730.00
